

# WORDS 2011

September 12–16, 2011

Czech Technical University in Prague, Czech Republic  
Charles University in Prague, Czech Republic

**WORDS** is a biannual conference devoted to combinatorics on words. The 8th edition of WORDS is organized by the Czech Technical University and Charles University in Prague, from September 12 to September 16, 2011. The central topic of WORDS conferences is the mathematical theory of words (i.e., finite or infinite sequences of symbols taken in a finite alphabet) from all points of view: combinatorial, algebraic, algorithmic, as well as its applications to physics, biology, linguistics and others.
